

# Fire Safety & Asbestos CPD Seminar

9th March 2016 / 1.30pm / Royal Institution of Chartered Surveyors

## Asbestos: Responsibilities of the Dutyholder

An overview of current legislation and the responsibilities of the Dutyholder, followed by tips and practical advice on asbestos management. Topics covered include asbestos surveys and re-inspections, management plans, remedial works and training.

## Fire Safety: Fire Alarm & Automatic Release System Design

Design considerations for automatic fire detection and alarm systems, and automatic electronic door release mechanisms. Explores the benefits good system design has on the user experience for the building manager and occupants.

## Venue

### The Royal Institution of Chartered Surveyors

The Royal Institution of Chartered Surveyors accredits 118,000 professionals and firms worldwide within the land, property and construction sectors.
